

A close-up photograph of a car's interior, focusing on the gear shift and speedometer. The gear shift is a polished metal lever with a black knob, positioned in the center. Below it, the speedometer has a red needle and a red scale with white markings. The background is a blurred view of the road at night, with blue and orange lights from other vehicles. A white text box is overlaid on the left side of the image.

Speed reduction is an option.

Slowing down allows you to assess
the situation and avoid a collision.
