   a expressed in Appendix I to be available to such a Member; or

   b expressly agreed between the Member and the Association.

   Note: The risks specified in Appendix I are separately treated as they are excluded from the Pooling Agreement and are subject to a separate reinsurance programme.

3 The cover afforded by the Association to a Member shall be subject to the Articles of Association and to these Rules and to any special conditions agreed between the Association and the Member.

4 A Member is only covered in respect of liabilities, losses, costs and expenses incurred by him which arise

   a in direct connection with the operation of or, in the case of Defence cover, acquisition or disposal of the Ship; and

   b in respect of the Member's interest in the Ship; and

   c out of events occurring during the period of entry of the Ship for the relevant risk in the Association.

6 It shall be a condition of Defence cover that the Ship has valid and subsisting P&I cover with the Association, except in the case of building or purchase contracts where there must be an undertaking by the Member to enter the Ship for P&I cover at the latest on taking delivery of the same.
Rule 5 Certificate of Entry

1 After an entry has been accepted, the Association shall issue a Certificate of Entry which shall evidence the terms and conditions of the contract of insurance.

2 The following provision will be deemed to be incorporated into all Certificates of Entry:

“This Certificate of Entry is evidence only of the contract of indemnity insurance between the above named Member(s) and the Association and shall not be construed as evidence of any undertaking, financial or otherwise, on the part of the Association to any other party.

In the event that a Member tenders this Certificate as evidence of insurance under any applicable law relating to financial responsibility, or otherwise shows or offers it to any other party as evidence of insurance, such use of this Certificate by the Member is not to be taken as any indication that the Association thereby consents to act as guarantor or to be sued directly in any jurisdiction whatsoever. The Association does not so consent.”

3 If the Association and a Member shall at any time agree a variation in the terms and conditions of the contract of insurance the Association shall issue an endorsement note stating the terms of such variation and the date from which such variation is to be effective.
Chapter 3 Conditions of cover

Rule 6 The Member’s duty of disclosure
1 The Member shall prior to the conclusion of the contract of insurance make full disclosure to the Association of all circumstances which would be of relevance to the Association in deciding whether and on what conditions to accept the entry. Should the Member subsequently become aware of any such circumstances as are mentioned above, or of any change in such circumstances as previously disclosed, he must without undue delay inform the Association.
2 Where the Member at the conclusion of the contract of insurance has neglected his duty of disclosure and the Association would not have accepted the entry at the Estimated Total Call agreed if the Member had made such disclosure as it was his duty to make, the Association is free from liability. Where the Association would have accepted the entry at the same Estimated Total Call but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under those conditions the Association would have accepted.

Rule 7 Alteration of risk
1 Where after the conclusion of the contract of insurance circumstances occur which result in an alteration of the risk, the Member shall disclose such circumstances to the Association without undue delay.
2 Where there is an alteration of the risk which has been intentionally caused or agreed to by the Member and the Association would not have accepted the entry at the same Estimated Total Call if it had known of such an alteration prior to the conclusion of the contract of insurance, the Association is free from liability to the extent that the liability, loss, cost or expense incurred by the Member was caused or increased by the alteration. Where the Association would have accepted the entry at the same Estimated Total Call but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under the conditions the Association would have accepted.

Rule 8 Classification and certification of the Ship
1 Unless otherwise agreed in writing between the Member and the Association it shall be a condition of the insurance of the Ship that:
   a the Ship shall be and remain throughout the period of entry classed with a classification society approved by the Association;
   b the Member shall promptly call to the attention of that classification society any incident, occurrence or condition which has given or might have given rise to damage in respect of which the classification society might make recommendations as to repairs or other action to be taken by the Member;
   c the Member shall comply with all the rules, recommendations and requirements of that classification society relating to the Ship within the time or times specified by the society;
   d the Association is authorised to inspect any documents and obtain any information relating to the maintenance of class of the Ship in the possession of any classification society with which the Ship is or has at any time been classed prior to and during the period of insurance and such classification society or societies are authorised to disclose and make available such documents and information to the Association upon request by it and for whatsoever purpose the Association in its sole discretion may consider necessary;
e the Member shall immediately inform the Association if, at any time during the period of entry, the classification society with which the Ship is classed is changed and advise the Association of all outstanding recommendations, requirements or restrictions specified by any classification society relating to the Ship as at the date of such change;
f the Member shall comply or procure compliance with all statutory requirements of the state of the Ship’s flag relating to the construction, adaptation, condition, fitment, equipment, manning, safe operation, security and management of the ship and at all times maintain or procure the maintenance of the validity of such statutory certificates as are issued by or on behalf of the state of the Ship’s flag in relation to such compliance.

2 The Association shall notify the Member when it intends to inspect classification documents or request information from a classification society in accordance with Rule 8.1.d.

3 The Member shall not be entitled to any recovery from the Association in respect of any claim arising during a period when the Member is not fulfilling or has not fulfilled the conditions in Rule 8.1., provided always that where the entry of a Ship is solely in the name of or on behalf of a charterer, and the charterer is not responsible for the maintenance of the Ship, or for compliance with classification or statutory requirements, the rights of recovery of such charterer shall not be dependent on the fulfilment of the conditions in Rule 8.1(b), (c), (d), (e) and (f) above.

Rule 9 Survey

1 The Association may at any time during the period of entry appoint a surveyor to inspect the Ship on behalf of the Association.

2 Where the Ship has been laid-up for a period exceeding six months, the Member shall give the Association not less than seven days notice prior to the Ship leaving the place of lay-up for recommissioning, to afford the Association an opportunity to inspect the Ship pursuant to Rule 9.1.

3 Should the Member refuse to co-operate in an inspection under Rule 9.1, or fail to give notice in accordance with Rule 9.2, the Association will thereafter be liable only to the extent that the Member can prove that any liability, cost or expense is not attributable to defects in the Ship that would have been detected in the course of an inspection under Rule 9.1.

4 Where an inspection reveals matters which, in the sole determination of the Association, represent a deficiency in the Ship, the Association may exclude specified liabilities, losses, costs and expenses from the cover until the deficiency has been repaired or otherwise remedied.

5 By applying for an entry of a ship or upon the continuation of the entry of the Ship in the Association, the Member;
a consents to and authorizes the disclosure by the Association to any association which is a party to the Pooling Agreement the findings of any survey or inspection of such ship undertaken on behalf of the Association either pursuant to an application for, or after entry in, the Association.
b waives any rights or claims against the Association of whatsoever nature arising in respect of or relating to the contents of or opinions expressed in any survey or inspection report so disclosed, provided that:
i such survey or inspection reports may only be disclosed to another association when an application for entry of such ship is made thereto; and
ii the disclosure of the survey or inspection shall be for the limited purpose only of that association considering an application to enter such ship for insurance.
Chapter 4  Premiums and Calls

Rule 10  Setting of Estimated Total Calls
1 Each Ship’s Estimated Total Call shall be set taking into account all matters, including the Member’s loss record, which the Association may consider relevant in assessing the degree of risk involved. All Ships under the same management may at the discretion of the Association be deemed, for the purpose of determining the loss record or otherwise for the determination of Estimated Total Calls, to be owned by one Member.
2 A Ship may be entered on the basis of a fixed premium in an amount agreed between the Association and the Member. A Defence entry shall always be on a fixed premium basis. The provisions of Rules 12, 13, 15, 16, 17, 18 and 19 shall not apply to fixed premium entries.
3 The Association may, in its discretion, levy an additional fixed premium for cover made available pursuant to Rule 2.2. The provisions of Rule 12 shall not apply to any such fixed premium.

Rule 11  Variation of Estimated Total Calls
1 The Association may determine that for the next ensuing Policy Year the Estimated Total Calls of the Ships entered in the Association shall generally be varied by a fixed percentage, before any further adjustment is made in order to take account of the Member’s loss record, alteration in the extent of the risk or any other factor the Association may deem relevant.
2 Notification of variation of Estimated Total Calls effective for the following Policy Year shall, if practicable, be given to Members prior to 20th December.

Rule 12  Estimated Total Calls and Owners’ General Discount
1 Before the commencement of each Policy Year, the Association shall decide whether and to what extent the Members renewing their entries in the Association shall be granted an Owners’ General Discount in the Estimated Total Calls of all Ships entered for that year.

2 Notification of the Owners’ General Discount in the Estimated Total Call to be granted Members renewing their entries in the Association shall, if practicable, be given to Members one calendar month before the commencement of the Policy Year to which the Estimated Total Call relates.
3 A Ship entered in the course of the Policy Year shall pay a daily pro rata proportion of the stipulated Estimated Total Call adjusted for the Owners’ General Discount if the Member is entitled to such discount pursuant to Rule 12.1.

Rule 13  Supplementary Calls
If the Estimated Total Calls for a Policy Year are considered insufficient to cover the claims on, or costs, expenses and outgoings of the Association, including any allocation to reserves the Association may deem appropriate and including the excess, if any, of claims costs, expenses and outgoings of any closed Policy Year over the provisions or reserves made thereof, the Association may at any time during or after the end of the relevant Policy Year, call for one or more Supplementary Calls which shall be levied on each Member in proportion to the net Estimated Total Calls for such year, unless the entry has been accepted on special terms which otherwise provide.

Rule 14  Determination of Estimated Total Calls, Owners’ General Discount and Supplementary Calls etc.
The Association may determine Estimated Total Calls, Owners’ General Discount and Supplementary Calls and variations in the Estimated Total Calls and Owners’ General Discounts, either generally for all entries or separately for any entry or category of entries.

Rule 15  Release Calls
When an entry is terminated or shall cease, the Association may, without awaiting the fixing of any Supplementary Calls, determine an additional premium for each open Policy year based on, but not limited to, the anticipated rate(s) of Supplementary Calls for each year. Upon payment
of such Release Calls, the Member shall be released from all liabilities for further Supplementary Calls in respect of the said entry and shall under no circumstances be entitled to participate in the distribution of any surplus decided upon thereafter.

Rule 16  Closing of Policy Years
1 The Association may decide to close a Policy Year at such time as it deems expedient.
2 No further Supplementary Calls, other than Overspill Calls, shall be levied in respect of a closed Policy Year.

Rule 17  Repayment of premium
If, at the time of the closing of a Policy Year pursuant to Rule 16, the Estimated Total Calls and Supplementary Calls in respect of that year shall exceed the claims, costs, expenses and outgoings of the year, the Association may decide that such excess shall be distributed, in whole or in part, to the Members entered in that Policy Year in proportion to their net Estimated Total Calls.

Rule 18  Overspill Calls
If the Association shall at any time determine that funds are or may in the future be required to pay part of an Overspill Claim (whether incurred by the Association or by any other party to the Pooling Agreement), the Association may levy one or more Overspill Calls to meet the Association’s liability for its proportion of such Overspill Claim, pursuant to the terms and conditions as set out in Appendix VI to these Rules.

Rule 19  Reserves
1 The Association may establish and maintain such reserves as it may deem appropriate and may decide that any part of such reserves shall be applied to reduce Supplementary Calls including Overspill Calls.
2 Reserve funds may not be distributed to the Members except as provided for in the Articles of Association.

Rule 20  Payment
1 Subject to Rule 20.3, Estimated Total Calls are due in three instalments as follows:
   a for the period 20th February – 20th June, on 15th March;
   b for the period 20th June – 20th October, on 15th September;
   c for the period 20th October – 20th February, on 15th November.
2 Where the Ship is entered in the course of a Policy Year, a pro rata of the proportion of Estimated Total Calls to be collected during the Policy year to which it relates for the four-monthly period in which the Ship is entered is due at once, with the remaining instalments, if any, due at the times specified in Rule 20.1.
3 Estimated Total Calls of less than USD 5,000 (or the equivalent in any other currency, as determined by the Association) per Ship is due in full on 15th March.
4 Fixed premiums are due on inception of cover.
5 Supplementary Calls, other than Release Calls, are due on the date specified by the Association.
6 Any other sums debited by the Association to a member, including Release Calls, Overspill Calls, Insurance Premium Tax for which the Member is liable, reimbursement of deductibles, interest, costs or expenses, are due on demand.
7 If any sums due to the Association from the Member are not paid on or before the due date interest is chargeable on such unpaid sums at such rate as the Association may from time to time determine.
8 Members’ Estimated Total Calls, Supplementary Calls, Overspill Calls, other premiums and other sums which cannot be collected shall be deemed to be an expense of the Association.

Rule 20A  Insurance Premium Tax
The Member shall indemnify the Association and hold it harmless in respect of any liability, cost or expense incurred or amount paid by the Association in respect of any Insurance Premium Tax for which the Member is liable.
Chapter 5  Termination and cesser

Rule 23  Termination by a Member
A Member may terminate the entry with effect from the end of the Policy Year in respect of one or more Ships by giving written notice thereof prior to 20th January. Except with the agreement of the Association, a Ship may not be withdrawn nor may notice of termination be given with effect from any other date.

Rule 24  Termination by the Association

For the purpose of this Rule 25.4 “Major Power” means any of the following States: United Kingdom, United States of America, France, the Russian Federation and the People’s Republic of China.

c costs and expenses incurred as a direct consequence of complying with an order for the deportation of a member of the Crew and in sending a substitute to replace him which would not have been incurred had no such order been made, provided that such costs or expenses as are referred to in paragraphs (a), (b) and (c) do not arise out of or in consequence of:

i the termination of any agreement; or

ii breach by the Member of any agreement or other contract of service or employment; or

iii sale of the Ship; or

iv any other act of the Member in respect of the Ship.

3 The Association shall cover liability to repatriate a member of the Crew pursuant to any statutory enactment giving effect to the Maritime Labour Convention 2006 as amended or any materially similar enactment, provided always that there shall be no recovery in respect of liabilities arising out of the termination of any agreement, or the sale of the Ship, or any other act of the Member in respect of the Ship, save and to the extent permitted by this Rule 27.3 in respect of the Member’s liability for such expense under the Maritime Labour Convention 2006 as amended.

c costs and expenses incurred as a direct consequence of complying with an order for the deportation of a passenger which would not have been incurred had no such order been made, provided that:

i the Association’s liability under paragraphs (a) and (b) above shall not exceed what it would have been had the passage contract relieved the Member of liability to the maximum extent permitted by applicable law;

ii the Association’s liability under paragraph (c) above shall be subject to the provisos to Rule 27.2;
The Association shall cover costs and expenses incurred as a direct consequence of complying with an order for the deportation of any such other person carried on board which would not have been incurred had no such order been made, subject to the provisos to Rule 27.2.

The cover does not include consequential loss of profit or depreciation.
Rule 33  Life salvage
The Association shall cover sums legally due to third parties by reason of the fact that they have saved or attempted to save the life of any person on or from the Ship, but only if, and to the extent that, such payments are not recoverable under the Hull Policies or from cargo owners or underwriters.

Rule 34  Cargo liability

1 The Association shall cover the following liabilities when and to the extent that they relate to cargo intended to be or being or having been carried on the Ship:

a liability for loss, shortage, damage or other responsibility arising out of any breach by the Member, or by any person for whose acts, neglect or default he may be legally liable, of his obligation properly to load, handle, stow, carry, keep, care for, discharge or deliver the cargo or out of unseaworthiness or unfitness of the Ship;

b liability for loss, shortage, damage or other responsibility in respect of cargo carried by a means of transport other than the Ship, when the liability arises under a through or transshipment Bill of Lading, or other form of contract, providing for carriage partly to be performed by the Ship, provided that unless and to the extent that the Association in its discretion shall otherwise decide, the cover under this Rule 34.1 does not include:

i liabilities, costs and expenses arising out of delivery of cargo under a negotiable Bill of Lading (including an electronic bill of lading) without production (or the equivalent thereof in the case of an electronic bill of lading) of that Bill of Lading by the person to whom delivery is made except where cargo has been carried on the Ship under either the terms of a non-negotiable Bill of Lading, waybill or another non-negotiable document, and has been properly delivered as required by that document, notwithstanding that the Member may be liable under the terms of a negotiable Bill of Lading issued by or on behalf of a party other than the Member providing for carriage in part upon the Ship and in part by another mode of transport; or under the terms of an approved electronic trading system and has been properly delivered to the person so entitled in accordance therewith.

ii liabilities, costs and expenses arising out of delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the Member is required by any other law to which the Member is subject to deliver, or relinquish custody or control of, the cargo, without production of such document;

iii liabilities, costs and expenses which would not have been incurred by the Member if the cargo had been carried on terms no less favourable to the Member than those laid down in the Hague or Hague-Visby Rules, save where the contract of carriage is on terms less favourable to the Member than those laid down in the Hague or Hague-Visby Rules solely because of the relevant terms of carriage being of mandatory application;

iv liabilities, costs and expenses arising out of the discharge of cargo at a port or place other than that stipulated in the contract of carriage;

v liabilities, costs and expenses arising out of the failure to arrive or late arrival of the Ship at port of loading, or the failure to load any particular cargo or cargoes in the Ship, other than liabilities, costs and expenses arising under a Bill of Lading already issued;

b in discharging or disposing, including storing, of cargo which has been rejected by the person entitled to delivery, provided that there shall be no recovery under this Rule 35 of extra costs and expenses which:

ii four fourths, of such liability; or

iii such other fraction of such liability as may be applicable and have been agreed with the Association;

ii the cover under this Rule shall exclude liability in respect of persons or property on board the Ship.

2. The Association may, in its sole discretion, cover in whole or in part a fine or penalty other than those listed in Rule 47.1 above imposed upon the Member (or imposed upon a third party whom the Member is legally obliged to reimburse), provided the Member has satisfied the Association that he took such steps as appear to the Association to be reasonable to avoid the event giving rise to the fine or penalty.

3. The Association shall be under no obligation to give reasons for its decision pursuant to Rule 47.2 above.

Rule 48  Disinfection and quarantine expenses

iii. liabilities, costs and expenses in respect of the carriage of cargo arising out of contracts of carriage providing for carriage partly to be performed by the Ship and partly by means of transport other than the Ship, unless the transport is performed under a form of contract approved by the Association.
Rule 58  War risks

1 The Association shall not cover under a P&I entry liabilities, losses, costs or expenses (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the Member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liabilities arise or such losses, costs or expenses are incurred was caused by:
   a  war, civil war, revolution, rebellion, insurrection or civil strife arising therefrom, or any hostile act by or against a belligerent power, or any act of terrorism (provided that, in the event of any dispute as to whether or not, for the purpose of this paragraph (a), an act constitutes an act of terrorism, the Association shall in its absolute discretion determine that dispute and the Association’s decision shall be final);
   b  capture, seizure, arrest, restraint or detainment, (barratry and piracy excepted, provided always that ransom shall not be recoverable unless and to the extent the Association shall in its absolute discretion determine otherwise), and the consequences thereof or any attempt thereat;
   c  mines, torpedoes, bombs, rockets, shells, explosives, or other similar weapons of war (save for liabilities, costs or expenses which arise solely by reason of the transport of any such weapons, whether on board the entered Ship or not), provided always that this exclusion shall not apply to the use of such weapons, whether as a result of government order or with the agreement of the Association, where the reason for such use is the mitigation of liability, cost or expenses which would otherwise fall within the cover given by the Association.

2 The exclusion in Rule 58.1 above shall not apply to liabilities, costs and expenses of a Member insofar only as they are discharged by the Association on behalf of the Member pursuant to a demand made under
   i  a guarantee or other undertaking given by the Association to the Federal Maritime Commission under Section 2 of US Public Law 89-777, or
   ii  a certificate issued by the Association in compliance with Article VII of the International Conventions on Civil Liability for Oil Pollution Damage 1969 or 1992 or any amendments thereof, or
   iii  an undertaking given by the Association to the International Oil Pollution Compensation Funds in connection with the Small Tanker Oil Pollution Indemnification Agreement as amended (STOPIA), or, except where such liabilities, costs and expenses arise from or are caused by an act of terrorism, the Tanker Oil Pollution Indemnification Agreement as amended (TOPIA), or
   iv  a certificate issued by the Association in compliance with Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage, 2001
   v  a certificate issued by an Association in compliance with Article 12 of the Nairobi International Convention on the Removal of Wrecks, 2007, or
   vi  a certificate under Regulation 4.2, Standard A 4.2.1, paragraph 1 (b) of the Maritime Labour Convention as amended to the extent such liabilities, costs and expenses are not or would not be recoverable by the Member under standard P&I war risks policies of insurance had the Member entered into such policies of insurance and complied with all the terms and conditions thereof or any extension to the cover provided by the Association. Where any such guarantee, undertaking or certificate is provided by the Association on behalf of the Member as guarantor or otherwise, the Member agrees that any payment by the Association thereunder in discharge of the said liabilities, costs and expenses shall, to the extent of any amount recovered under any other policy of insurance or extension to the cover provided by the Association, be by way of loan and that there shall be assigned to the Association to the extent and on the terms that it determines in its discretion to be practicable all the rights of the Member under any other insurance and against any third party.

Rule 59  Specialist operations

The Association shall not cover under a P&I entry liabilities, losses, costs and expenses incurred by the Member during the course of performing dredging, blasting, pile-driving, well intervention, cable or pipelaying, construction, installation or maintenance work, core sampling, depositing of spoil, power generation and decommissioning to the extent that such liabilities, losses, costs and expenses arise as a consequence of:
pursuant to a contract under which the Ship is employed, until such time that the Ship is finally disconnected from the well in accordance with that contract.

2 For semi-submersible heavy lift vessels and any other vessels designed exclusively for the carriage of heavy lift cargo, the Association shall not cover under a P&I entry liability for loss of or damage to or wreck removal of cargo, save insofar as the carriage is undertaken on contractual terms approved by the Association.

Note: The HEAVYCON 2007 charter is approved provided it is not materially amended.

Rule 61

Submarines, diving bells, remotely operated underwater vehicles and divers

The Association shall not cover under a P&I entry liabilities, losses, costs or expenses arising out of

a  the operation by the Member of submarines, mini-submarines, diving bells or remotely operated underwater vehicles; or

b  the activities of professional or commercial divers where the Member is responsible for such activities other than

i  activities arising out of salvage operations being conducted by the Ship where the divers form part of the crew of that Ship (or of diving bells or other similar equipment or craft operating from the Ship) and where the Member is responsible for the activities of such divers; and

ii  incidental diving operations carried out in relation to the inspection, repair or maintenance of the Ship or in relation to damage caused by the Ship; and

iii  recreational diving activities.

Rule 62

Waste incineration, disposal operations and landfills

1 The Association shall not cover under a P&I entry liabilities, losses, costs or expenses arising out of waste incineration or waste disposal operations carried out by the Ship (other than any such operations carried out as an incidental part of other commercial activities).

2 Unless and to the extent that the Association in its discretion shall otherwise decide, the cover under a P&I entry does not include any
liability, loss, damage, cost or expense, including, without limitation, liability for the cost of any remedial works or clean up operations, arising as a result of the presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site storage or disposal facility of any substance previously carried on the Ship whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever.

**Rule 63**

**Excluded losses**

1 The Association shall not cover under a P&I entry, except where and to the extent that they form part of a claim for expenses under Rule 46 (measures to avert or minimise loss):

   a loss of or damage to the Ship or any part thereof except to the extent that it forms part of a claim recoverable under Rule 49 (Confiscation of the Ship);

   b loss of or damage to any equipment on board the Ship or to any containers, lashings, stores or fuel thereon, to the extent that the same are owned or leased by the Member or by any company associated with or under the same management as the Member;

   c the cost of repairs to the Ship or any charges or expenses in connection therewith except to the extent that they form part of a claim recoverable under Rule 41 (General average);

   d claims by or against the Member relating to loss of freight or hire on the Ship or any proportion thereof unless freight or hire forms part of a claim for liabilities in respect of cargo;

   e costs of salvage or services in the nature of salvage, rendered to the Ship and any expenses in connection therewith except to the extent that they form part of a claim recoverable under Rule 33 (Life salvage), Rule 41 (General average) or Rule 42 (Salvage);

   f liabilities, losses, costs or expenses arising out of salvage operations (including for the purpose of this sub-paragraph f, wreck removal) conducted by the Ship or provided by the Member, other than:

   g liabilities, losses, costs or expenses arising out of cancellation of a charter or other engagement of the Ship;

   h claims by or against the Member relating to demurrage on, detention of or delay to the Ship, unless such demurrage, detention or delay is covered under Rule 34;

   j liabilities, losses, costs and expenses arising from the use of any electronic trading system, other than an electronic trading system approved in writing by the Association, to the extent that such liabilities, losses, costs and expenses would not (save insofar as the Association in its sole discretion otherwise determines) have arisen under a paper trading system. For the purposes of this sub-paragraph (j) an “electronic trading system” is any system which replaces or is intended to replace paper documents used for the sale of goods and/or their carriage by sea or partly by sea and other means of transport and which:

   i are documents of title, or

   ii entitle the holder to delivery or possession of the goods referred to in such documents, or

   iii evidence a contract of carriage under which the rights and obligations of either of the contracting parties may be transferred to a third party.

For the purpose of this sub-paragraph (j) a “document” shall mean anything in which information of any description is recorded including, but not limited to, computer or other electronically generated information.

2 The Association shall not cover general monetary loss, or loss of time, loss through price or currency fluctuations, loss of market or similar loss resulting from delay, except where the Member is legally liable to a third party for such loss and such liability is covered by the Association under these Rules.

Note: Limitations etc which affect both Defence and P&I cover are set out in Part V.

**Rule 67**  
**Excluded costs**

1. The Association may decline to cover under a Defence entry all or part of the Member’s costs, where it is of the opinion that:
   a. there is no reasonable relation between the amount in dispute and the costs which are likely to be incurred;
   b. there is no reasonable relation between the prospects of succeeding in establishing a claim or of having the claim enforced or the liability averted and the costs which are likely to be incurred;
   c. the Member has failed to carry out his obligations under these Rules;
   d. the claim is unreasonable or tainted with illegality or other improper conduct;
   e. for any other reason Defence cover should not apply.

2. The Association shall be under no liability to reimburse a Member for costs incurred:

2. No cover shall be available under Defence entries to either party where a dispute arises between Joint Members, Co-assureds, affiliates or associates of the Member or Co-assureds or any combination thereof.

3. No Member shall be entitled to cover under a Defence entry so long as Estimated Total Calls, or Supplementary Calls or other sums of whatsoever nature owed to the Association, whether in respect of Defence or P&I cover or otherwise, remain unpaid.
Rule 69  The Association’s right to control and direct the handling of a case – withdrawal of cover

1 The Association shall have the right, if it so decides, to control or direct the conduct or handling of any case or legal and other proceedings relating to any matter in respect whereof legal and other costs are covered under a Defence entry and to require the Member to settle, compromise or otherwise dispose of the case or legal and other proceedings in such manner and upon such terms as the Association sees fit.

2 The Association may, in its sole discretion, at any stage of the handling of the case, decline to cover under a Defence entry the legal and other costs involved where:
   a the Member, without the Association’s authority, or contrary to its advice, proceeds with the case in a manner which in the view of the Association is undesirable;
   b the Member refuses to settle the case on conditions which the Association recommends or which are recommended by lawyers acting on behalf of the Association or the Member;
   c any of the circumstances set out in Rule 67 subsequently materialise or are brought to the attention of the Association.

Rule 70  Limitation

1 The Association shall not be obliged to compensate under a Defence entry legal and other costs falling within the scope of Rule 65 and legal and other costs incurred in establishing or resisting claims in connection with purchase and sale of the Ship, including claims in connection with the future employment of the Ship being purchased, falling within the scope of Rule 66 (a) and (b) in excess of USD 15 million per event.

2 The Association shall not be obliged to compensate under a Defence entry legal and other costs falling within the scope of Rule 66 (sale and purchase disputes exempted) in excess of USD 1 million per event.

3 The Association shall determine in its absolute discretion whether legal and other costs for the purpose of this Rule 70 shall be deemed to fall within the scope of Rule 65 or Rule 66 and whether the legal and other costs have arisen out of one or several events, irrespective of whether one or several Ships were involved.

4 The Association shall be under no obligation to give reasons for any of its decision under this Rule.
PART V  GENERAL LIMITATIONS ETC. ON P&I AND DEFENCE COVER

Note: Limitations which affect only P&I cover or only Defence cover are set out in Parts II and IV respectively.

Rule 71  Other insurance

1 The Association shall not cover:
   a liabilities, losses, costs or expenses which are covered by the Hull Policies or would have been covered by the Hull Policies had the Ship been fully insured on standard terms, without deductible, for an insured value which is at all times not less than the market value from time to time of the Ship without commitment, provided that costs relating to claims for damage sustained by the Ship shall be covered under a Defence Entry to the extent that such damage is not recoverable under the Hull Policies by reason only of a deductible, and for the purposes of this proviso the deductible shall be deemed not to exceed one per cent of the Ship’s insured value;
   b liabilities, losses, costs or expenses recoverable under any other insurance or which would have been so recoverable:
      i apart from any term in such other insurance excluding or limiting liability on the ground of double insurance; and
      ii if the Ship had not been entered in the Association with cover against the risks set out in these Rules;
   c liabilities, losses, costs or expenses in relation to a person performing work in the service of the Ship covered by social insurance or by public or private insurance required by the legislation or collective wages agreement governing the contract of employment of such person, or which would have been so covered if such insurance had been effected.

2 The Association shall not cover under a Defence entry costs which are or can be covered under a P&I entry.

Rule 72  Conduct of Member

The Association shall not cover any liabilities, losses, costs or expenses arising or incurred in circumstances where there has been wilful misconduct on the part of the Member, such misconduct being an act intentionally done, or a deliberate omission by the Member, with knowledge that the performance or omission will probably result in injury, or an act done or omitted in such a way as to allow an inference of a reckless disregard of the probable consequences.

Rule 73  Nuclear perils

1 The Association shall not cover any liabilities, losses, costs or expenses directly or indirectly caused by or contributed to by or arising from:
   a ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel
   b the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof
   c any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter
   d the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter other than liabilities, costs and expenses arising out of carriage of “excepted matter” (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo on the Ship.

2 The exclusion in Rule 73.1 above shall not apply to liabilities, costs and expenses of a Member insofar only as they are discharged by the Association on behalf of the Member pursuant to a demand made under:
   i a guarantee or other undertaking given by the Association to the Federal Maritime Commission under Section 2 of US Public Law 89-777, or
   ii a certificate issued by the Association in compliance with Article VII of the International Conventions on Civil Liability for Oil Pollution Damage 1969 or 1992 or any amendments thereof, or
Rule 75  Part tonnage
Where a Ship is entered with the Association for less than its full tonnage, the Association shall only be liable to the Member for such proportion of any liability, loss, cost or expense as the entered tonnage bears to the full tonnage.

Rule 76  Deductibles
Unless otherwise agreed, cover shall be subject to the Association’s standard deductibles set out in Appendix V.

Rule 77  Administrative costs, insolvency and sanctions etc.
1 The Association shall not cover:
a the Member’s internal administrative costs or expenses;
b liabilities, losses, costs and expenses arising out of the insolvency of the Member or any other person or out of overdue or irrecoverable debts or out of any of the circumstances described in Rules 25.1(a) and (b).

2 The Association shall not indemnify a Member against any liabilities, costs or expenses where the provision of cover, the payment of any claim or the provision of any benefit in respect of those liabilities, costs or expenses may expose the Association to any sanction, prohibition, restriction or adverse action by any competent authority or government.

3 The Member shall in no circumstances be entitled to recover from the Association that part of any liabilities, costs or expenses which is not recovered by the Association from any party to the Pooling Agreement and/or from any reinsurer because of a shortfall in recovery from such party or reinsurer by reason of any sanction, prohibition or adverse action by a competent authority or government or the risk thereof if payment were to be made by such party or reinsurer. For the purposes of this paragraph, “shortfall” includes, but is not limited to, any failure or delay in recovery by the Association by reason of the said party or reinsurer making payment into a designated account in compliance with the requirements of any competent authority or government.

Rule 78  Unlawful trades etc.
The Association shall not cover liabilities, losses, costs or expenses arising out of or consequent upon the Ship carrying contraband, blockade running or being employed in or on an unlawful, unsafe or unduly hazardous trade or voyage.
PART VI  MISCELLANEOUS PROVISIONS

Chapter 1  Joint Members, Co-assureds and Affiliates

Rule 78  Cover for Co-assureds and Affiliates

1 The Association may agree, subject to the provisions of this Rule 78 and to such other terms as may be required, to extend the cover afforded by the Association to the Member to:
   a any person who is affiliated to or associated with the Member (not being a Co-assured or other Affiliate), and who shall not be specifically named in the terms of entry; and
   b any other named co-assured.

2 Affiliates and Co-assured shall not be entitled to Membership of the Association.

3 The cover afforded to a Co-assured in categories (a), (b) and (c) below shall extend only to liabilities, losses, costs and expenses (or, in respect of Defence cover, to costs incurred in connection with claims) arising out of operations and/or activities customarily carried on by or at the risk and responsibility of shipowners (or, in the case of a Charterer’s Entry, charterers):
   a any person interested in the operation, management or manning of the Ship;
   b the holding company or the beneficial owner of the Member or of any Co-assured falling within category (a) above;
   c any mortgagee of the Ship or finance institution (or its subsidiary or affiliate) as the owner leasing the Ship to the Member.

4 The cover afforded to a Co-assured who is a charterer of the Ship and who is affiliated to or associated with the Member (other than a Co-assured expressly given cover by the Association in accordance with Rule 78.6) shall extend only to the risks, liabilities, losses, costs and expenses in respect of which that Member has cover, and shall be limited in accordance with Rule 52.

5 The cover afforded to a Co-assured who has entered into a contract with the Member for the provision of services to or by the Ship, and any person in the Co-assured’s group, shall extend only to liabilities, losses, costs and expenses which are to be borne by the Member under the terms of the contract and which to the extent only they would, if borne by the Member, be recoverable by the Member from the Association, provided that
   a the contract has been approved by the Association; and
   b the contract includes a Knock for Knock agreement in respect of any and all persons in the Co-assured’s group

6 The cover afforded to all other categories of Co-assureds, other than those referred to in Rules 78.3, 78.4 and 78.5, shall only extend insofar as such Co-assured may be found liable to pay in the first instance for loss or damage which is properly the responsibility of either the Member or, as appropriate, an affiliated charterer pursuant to Rule 78.4 (or, in the case of Defence cover, insofar as such Co-assured may be required to resist a claim arising from such a liability), and nothing herein contained shall be construed as extending cover in respect of any amount to the extent such amount would not have been recoverable from the Association by either the Member or, as appropriate, an affiliated charterer pursuant to Rule 78.4, had the claim in respect of such loss or damage been made or enforced against him.

7 The cover afforded to an Affiliate shall extend only, in the case of P&I cover, to claims made or enforced through the Affiliate in respect of any liabilities for which the Member has cover, and, in the case of Defence cover, to costs incurred in resisting claims which, if brought against the Member, would be within his cover, and nothing herein contained shall be construed as entitling an Affiliate to recover any amount which would not have been recoverable from the Association by the Member had the claim been made or enforced against the Member.

8 To the extent that the Association has indemnified a Co-assured (other than a Co-assured in the categories referred to in Rules 78.3 and 78.4) or an Affiliate in respect of a claim, it shall not be under any further liability and shall not make any further payment to any person whatsoever, including, where co-assured under the Member’s entry, the Member, or, where co-assured under the affiliated charterer’s cover afforded pursuant to Rule 78.4, that charterer, in respect of that claim or of the loss or damage in respect of which that claim was brought.
Chapter 2 Claims etc.

Rule 80 Time of occurrence

1 The event giving rise to a claim incurred by one Member in respect of damage to or loss of cargo (including claims in respect of cargo’s contribution to general average payable by the Member solely by reason of breach of contract of carriage) shall be deemed to arise as follows:

a all loss of or damage to cargo carried on the same cargo carrying voyage shall be deemed to arise out of the same event (a “deemed event”), and that event shall be deemed to have occurred at the earliest of

i the first place of discharge or port at which such loss or damage was ascertained and at the time of such ascertainment; and

ii if such loss or damage was ascertained after discharge of the cargo from the Ship, at the time and place of discharge; and

iii where the Member sold the Ship (or otherwise disposed of his interest in the Ship) during a cargo carrying voyage, at the time when his last entry for the Ship with the Association or any other association which participates in the Pooling Agreement terminated and at the place where the Ship was at that time

provided that

i any reference in this Rule 80.1 to a cargo carrying voyage shall include, in cases where cargo is carried under a contract of carriage partly in the Ship and partly by other means of transport, the entire through or combined transport of that cargo under that contract; and

ii whenever the Association can demonstrate that any loss or damage either actually arose out of a particular event and that that event occurred at or prior to the time of the deemed event, or actually arose out of an event which occurred after the deemed event (irrespective of whether the particular event or the date on which it actually occurred can be identified), the Association may require that such claim be treated separately from those other claims deemed as aforesaid to have arisen out of the deemed event.

Rule 79 Joint Members, Co-assureds, Affiliates and Fleet Entries

1 Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 78.5 and 78.6) insured on any one entry shall be jointly and severally liable for all sums due to the Association in respect of such entry. Members, Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 78.5 and 78.6) insured on any entry in respect of one or more Ship(s) forming part of a Fleet Entry shall be jointly and severally liable in respect of all sums due to the Association in respect of any or all Ships forming part of the Fleet Entry. For the purpose of this section a Fleet Entry shall mean the entry of more than one Ship by one or more Members on the basis that those Ships shall be treated together as a fleet.

2 Any payment by the Association to one of the Joint Members, Co-assureds or Affiliates shall fully discharge the obligations of the Association in respect of such payment.

3 Any communication by the Association to one Joint Member or Co-assured shall be deemed to be communication to all.

4 The conduct or omission of one Joint Member or Co-assured which under these Rules would constitute a breach of the contract of insurance, shall be deemed as the conduct or omission of all the Joint Members and Co-assureds.

5 The liability of Joint Members, Co-assureds, Affiliates and the Member to each other shall not be excluded nor discharged by reason of co-assurance. Any payment to the Member in respect of any liabilities, losses, costs and expenses shall operate only as satisfaction but not exclusion or discharge of the liability of such person to the Member.
b all loss or damage to cargo carried under a contract for carriage partly in the Ship and partly by other means of transport, being a contract entered into during the period of entry of the Ship, arising out of an event occurring after the discharge of the relevant cargo from the Ship (or after the Member sells the Ship, or otherwise disposes of the interest in the Ship, if earlier) shall be deemed for the purpose of Rule 2.4.c to have occurred at the time of discharge of the relevant cargo from the Ship (or immediately prior to sale or disposal referred to above, if earlier).

2 Where the Member incurs a liability in respect of the death, disease or personal injury of an individual, and the specific date on which any event causing such death, disease or personal injury has not been ascertained, the Member shall be deemed to have incurred the liability at a uniform rate over the period during which the event or events causing the death, disease or personal injury occurred or may have occurred ("the period of exposure"), and any claim the Member may have against the Association shall be limited to such proportion of the liability as the period for which the Member has relevant cover bears to the period of exposure.

3 For the purposes of Defence cover the event giving rise to a claim shall be deemed to arise as follows:
   a claims arising out of contract (subject to paragraphs (b) and (c) below), in tort or under statute: when the cause of action accrues;
   b claims for salvage or towage: when the services are commenced;
   c claims arising in connection with the building of a ship: at the date of signing the building contract.

Rule 82

Obligations with respect to claims

1 A Member shall:
   a promptly notify the Association of any event which may give rise to a claim upon the Association, and of any formal enquiry into a loss or casualty involving the Ship;
   b upon the occurrence of any event which may give rise to a claim upon the Association, take and continue to take all such steps as may be reasonable, including the preservation of any right of recourse against a third party, for the purpose of averting or minimising any liability, loss, cost or expense in respect whereof he may be insured by the Association;
   c notify and, if possible, consult the Association prior to taking any action as described in Rule 82.1(b) above;
   d promptly provide the Association with all documents and information which may be relevant to such event and which are required to enable the Association to determine whether the event is covered according to these Rules;
   e allow the Association or its appointees to interview any person who in the opinion of the Association may have knowledge relevant to the event;
   f not without the prior consent of the Association admit liability for or settle any claim for which he may be insured by the Association.

2 If a Member commits a breach of any of these obligations:
   a the Association may reject any claim, or reduce the sum payable, in relation to such event; and
   b the Member shall reimburse to the Association such part of any costs or expenses incurred by the Association in relation to such event as the Association shall determine.

3 The Association shall have the right if it so decides to control or direct the conduct of any claim or legal or other proceedings relating to any liability, loss, cost or expense in respect whereof the Member is or may be insured, in whole or in part, and to instruct, on behalf of the Member,
lawyers and other advisers and experts to assist and to require the Member to settle, compromise or otherwise dispose of such claim or proceedings in such manner and upon such terms as the Association sees fit, provided that no actions or directions of the Association shall imply an obligation to cover the liability, loss, cost or expense. If the Member does not settle, compromise or dispose of a claim or of proceedings after being required to do so by the Association, any recovery by the Member from the Association in respect of such claim or proceedings shall be limited to the amount he would have recovered if he had acted as required by the Association.

4 A Member shall, in respect of a dispute which falls under the cover, for his own account, obtain information, make calculations, attend meetings and otherwise provide assistance, where such work can be performed by him or by persons employed by him or regularly engaged by him to perform such services.

Rule 83 Exclusion of liability

1 The Association shall not be liable for errors or omissions in the handling of a case which may be committed by the Association’s employees or by lawyers, advisers or other experts engaged by the Association on behalf of the Member.

2 The Association shall not be liable for monies which are lost, having been collected by persons engaged by the Association on behalf of the Member, or entrusted to such persons.

3 The Association shall not be liable to pay interest on any sums due from it to the Member.

Rule 84 Recoveries from third parties

1 When the Member has a right of recourse against a third party for any liability, loss, cost or expense covered by the Association, the Association shall be subrogated to the Member’s right of recourse upon payment by the Association to or on behalf of the Member in respect of the liability, loss, cost or expense.

2 Where the Association has made a payment in respect of any liability, loss, cost or expense to or on behalf of a Member, the whole of any recovery from a third party in respect of the case to which that liability, loss, cost or expense relates shall be credited and paid to the Association up to an amount corresponding to the sum paid by the Association together with any interest element on that sum comprised in the recovery, provided however, that

a where because of a deductible in his terms of entry the Member has contributed towards a liability, loss, cost or expense any such interest element shall be apportioned between the Member and the Association taking into account the payments made by each and the dates on which those payments were made; and

b the Association shall retain the whole amount of any award of costs in respect of its own handling of any case; and

c In respect of a Defence Entry, any recovery whatsoever from any third party (the “Recovery”) shall be applied as follows and in the following order:

i first, if and to the extent a maximum deductible is agreed, the Recovery shall be credited and paid to the Association up to an amount corresponding to a fair recovery (in the Association’s discretion) of legal and other costs and expenses paid or agreed to be paid by the Association, in excess of the Members maximum deductible, together with any interest element on that sum comprised in the Recovery;

ii secondly, if and to the extent the Association only has agreed to cover a percentage of legal and other costs or expenses incurred by or on behalf of the Member, the Association shall be credited and paid a proportion of the Recovery corresponding to the percentage of legal and other costs and expenses the Association has agreed to cover pursuant to these Rules and the terms of entry agreed;

iii finally when the requirements in (i) and (ii) above have been satisfied the Recovery shall be applied against the Member’s minimum deductible.

4 Where a Member settles or compromises a claim within its Defence cover for a lump sum, the Association shall determine what part of that lump sum shall be deemed attributable to legal and other costs and expenses irrespective of the provisions of the settlement or compromise and, where relevant, the lump sum shall be treated as a Recovery pursuant to Rule 84.2 c.

Rule 85 Discharge
Payment of a claim by the Association to a manager of the Ship or to any other agent of the Member shall fully discharge the Association’s liability to the Member.

Rule 86 Currency of payments

3 Where a deductible under Rule 76 is expressed in Appendix V in a currency other than the premium currency, the deductible shall be converted into the premium currency at the rate of exchange ruling on the day payment was made by the Member.

4 Where a payment in respect of a liability, loss, cost or expense is due at a fixed time and the Member without valid reason neglects to make payment when due, the Member shall not be entitled to compensation at a higher rate of exchange than that ruling on the day on which payment was due.

5 All rates of exchange for the purposes of this Rule 86 shall be as conclusively certified by the Association.

Rule 87
Payment first by Member
1 Unless the Association shall in its absolute discretion otherwise determine, it is a condition precedent to a Member’s right to recover from the Association in respect of any liability, loss, cost or expense that he shall first have discharged or paid the same.

   b a final arbitration award (if settlement of the dispute by arbitration was agreed upon before the dispute arose, or was, with the consent of the Association, agreed upon subsequently); or
   c a final settlement of the dispute approved by the Association.

3 Notwithstanding sections 1 and 2 above, where a Member has failed to discharge a legal liability to pay damages or compensation for personal injury, illness or death of a member of the Crew, or in respect of repatriation under any statutory enactment giving effect to the Maritime Labour Convention 2006 as amended or any materially similar enactment, the Association shall discharge or pay such claim on the Member’s behalf directly to such member of the Crew or dependent thereof, provided always that:
   a the member of the Crew or dependent has no enforceable right of recovery against any other party and would otherwise be uncompensated; and
   b the amount payable by the Association shall under no circumstances exceed the amount which the Member would otherwise have been able to recover from the Association under the Rules and the Member’s terms of entry, and
   c with regard to liability, costs and expenses falling within Rule 27.3 any payment made by the Association shall be made as agent only of the Member, and the Member shall be liable to reimburse the Association for the full amount of such payment.

Rule 90 Governing law

The legal relationship between the Association and the Member shall be governed by these Rules and Norwegian law, but the provisions of the Insurance Contracts Act of 16th June 1989 shall not apply.

Rule 91 Arbitration

1 Unless otherwise agreed, disputes between the Association and a Member or a former Member or any other person arising out of the contract of insurance or these Rules shall be resolved by arbitration. Amendments to the Rules

1 The Rules may be amended at any time with effect from the beginning of the following Policy Year, and the Association shall, where practicable, give notice of amendments to Members before 20th January.

2 If, in the determination of the Association, a substantial alteration of risk occurs, as a result of new legislation or for any other reason, the Association may make such amendments to the Rules as the situation may require, giving (save in the case where the amendment involves only the making available of additional cover to the Member) at least two months’ notice of the amendment.

3 When war has broken out or, in the determination of the Association threatens to break out, the Association may decide that amendments shall come into force at shorter notice.

APPENDICES

Appendix I Additional insurances

1 Introduction
Additional insurances set out in this Appendix shall be subject to the Rules for P&I and Defence cover of Ships and other floating structures (“the Rules”) save to the extent to which any of such Rules are inconsistent with the terms and conditions expressly agreed between the Member and the Association.

2 War risks
The Association has arranged an additional war risk insurance for the benefit of its Members.

Scope of cover

1 The special war risk P&I insurance will cover P&I risks set out in Part II, Chapter 1, of the Rules for Ships, caused by war risks as described in Rule 58 of the Rules for Ships, but subject always to special terms of entry agreed between the individual Association and the individual Member attached to or included in the Ship’s certificate of entry.

The cover is subject to a minimum deductible of USD 50,000 any one event each Ship.

Further, the cover includes liabilities arising from acts of terrorism as defined in the US Terrorism Risk Insurance Act 2002 as amended which now has been extended to 2027.

Details about additional premium for such liabilities will be sent out in a separate circular.

Notice of cancellation, automatic termination of cover and war and nuclear exclusion

2 The cover afforded is subject to Institute Notice of Cancellation, Automatic Termination of Cover and War and Nuclear Exclusion Clause, as set out below. The cover may be cancelled by the Managers giving seven days’ notice (such cancellation becoming effective on the expiry of
seven days from midnight on the day on which notice of cancellation is issued by the Managers).

Whether or not such notice of cancellation has been given, cover shall terminate automatically:

i. upon the outbreak of war (whether there be a declaration of war or not) between any of the following countries: United Kingdom, United States of America, France, The Russian Federation, the People’s Republic of China and this insurance excludes loss, damage, liability or expense arising from such outbreak of war;

ii. in the event of the Entered Ship being requisitioned either for title or use and this insurance excludes loss, damage, liability or expense arising from such requisition;

Cover shall not become effective if, subsequent to acceptance by the Association and prior to the intended time of attachment of risk, there has occurred any event which would have automatically terminated cover under the provisions of this Rule.

TOPIA

3 The cover excludes loss, damage or expense arising from an act of terrorism which the Member may incur or for which the Member may be liable under TOPIA 2006.

Bio chem and computer virus

4 The Association shall not be liable for any losses, liabilities, costs or expenses directly or indirectly caused by or contributed to by or arising from:

i. any chemical, biological, bio-chemical or electromagnetic weapon;

ii. the use or operation, as a means for inflicting harm, of any computer virus;

iii. Clause 4 (ii) above will not operate to exclude losses (which would otherwise be covered under the terms of this policy) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missil.

However, the International Group has decided that the Bio-Chem Risks shall be covered through a special pooling facility, covering the Member’s liability in respect of:

i. damages, compensation or expenses in consequence of personal injury to or illness or death of any seamen; and

ii. for legal costs and expenses incurred solely for the purpose of avoiding or minimising any other P&I liability arising from a Bio-Chem Risk.

The limit of cover for the special insurance against the Bio-Chem risks is USD 30 million per Ship in the aggregate. The detailed terms and conditions of the Bio-Chem cover are available in the special Bio-Chem clause, as set out below.

Limitation of cover

5 The cover for owners is limited to USD 500 million any one event each Ship in excess of the proper value of the entered Ship or any amounts recoverable under any other P&I war risks cover which the Member has arranged, whichever is greater. The minimum excess is the proper value of the Ship determined in accordance with Rule 71.1(a) of the Rules for Ships or USD 500 million, whichever is the lesser.

6 Where there is more than one Owner’s Entry or Charterer’s Entry in respect of an Entered Ship with the Association or any other P&I Association which participates in the reinsurance arrangements of the International Group of P&I Clubs, the aggregate of all claims following an event brought against the Association and/or such other Association shall be limited to USD 500,000,000. In these circumstances, the limit of liability shall be such proportion of USD 500,000,000 as the claims recoverable under an Owner’s Entry or Charterer’s Entry in the Association bear to the aggregate of all the said claims recoverable under all Owner’s Entries and Charterer’s Entries in respect of that Ship with this or any other Association.

Rules on Overspill Claims and Overspill Calls and related matters

1 Interpretation
1.1 In this Appendix the following words and expressions shall have the following meanings:

Convention Limit
In respect of a ship, the limit of liability of the shipowner of that ship for claims (other than claims for loss of life or personal injury) at the Overspill Claim Date, calculated in accordance with Article 6, paragraph 1(b) (but applying 334 Units of Account to each ton up to 500 tons) of the International Convention on Limitation of Liability for Maritime Claims 1976 (the Convention) and converted from Special Drawing Rights into United States Dollars at the rate of exchange conclusively certified by the Association as being the rate prevailing on the Overspill Claim Date, provided that

a when a ship is entered for a proportion (the “relevant proportion”) of its tonnage only, the Convention Limit shall be the relevant proportion of the limit of liability calculated and converted as aforesaid, and

b each ship shall be deemed to be a seagoing ship to which the Convention applies, notwithstanding any provision in the Convention to the contrary.

Group Reinsurance Limit
the amount of the smallest claim (other than any claim arising in respect of oil pollution) incurred by the Association or any other party to the Pooling Agreement which would exhaust the largest limit for any type of claim (other than any claim arising in respect of oil pollution) from time to time imposed in the Group Excess Loss Policies.

Overspill Call
a call levied by the Association pursuant to paragraph 5 for the purpose of providing funds to pay part of an Overspill Claim.

Overspill Claim
that part (if any) of a claim (other than a claim arising in respect of oil pollution) incurred by the Association or by any other party to the Pooling Agreement under the terms of entry of a ship which exceeds or may exceed the Group Reinsurance Limit.

Overspill Claim Date
in relation to any Overspill Call, the time and date on which there occurred the incident or occurrence giving rise to the Overspill Claim in respect of which the Overspill Call is made, or if the Policy Year in which such incident or occurrence has been closed in accordance with the provisions of paragraphs 6.1 and 6.2, noon GMT on 20th August of the Policy Year in respect of which the Association makes a declaration under paragraph 6.3.

1.2 All claims incurred by the Association or any other party to the Pooling Agreement under the entry of any one ship arising directly from any one incident or occurrence including any claim in respect of liability for the removal or non-removal of any wreck shall be treated for the purposes of this Appendix VI as if they were one claim.

1.3 Any reference to a claim incurred by the Association or by any other party to the Pooling Agreement shall be deemed to include the costs and expenses associated therewith.

2 Recoverability of Overspill Claims
2.1 Without prejudice to any other applicable limit, any Overspill Claim incurred by the Association shall not be recoverable from the Association in excess of the aggregate of

a that part of the Overspill Claim which is eligible for pooling under the Pooling Agreement but which, under the terms of the Pooling Agreement, is to be borne by the Association, and

b the maximum amount that the Association is able to recover from the other parties to the Pooling Agreement as their contributions to the Overspill Claim under the terms of the Pooling Agreement.
2.2 The aggregate amount referred to in paragraph 2.1 shall be reduced to the extent that the Association can evidence:

a that costs have been properly incurred by it in collecting or seeking to collect.

i Overspill Call levied to provide funds to pay that part of the Overspill Claim referred to in paragraph 2.1(a) or,

ii the amount referred to in paragraph 2.1(b) or

b that it is unable to collect an amount equal to that part of the Overspill Call referred to in paragraph 2.1 sub-paragraph (a) which it had intended to pay out of the levy of Overspill Calls because any Overspill Calls so levied, or parts thereof, are not economically recoverable, provided that if due to change in circumstances such amounts subsequently become economically recoverable, the aggregate amount referred to in paragraph 2.1 shall be reinstated to that extent.

2.3 In evidencing the matters referred to in paragraph 2.2 sub-paragraph (b) the Association shall be required to show that:

a it has levied Overspill Calls on all of its Members in respect of the Overspill Claim referred to in paragraph 2.1 on all Members entered in the Association on the Overspill Claim Date in accordance with and in the maximum amount permitted under paragraph 5, and

b it has levied those Overspill Calls in a timely manner, has not released or otherwise waived a Member’s obligation to pay those Calls and has taken all reasonable steps to recover those Calls.

3 Payment of Overspill Claims

3.1 The funds required to pay any Overspill Claim incurred by the Association shall be provided:

a from such sums as the Association is able to recover from the other parties to the Pooling Agreement as their contribution to the Overspill Claim, and

b from such sums as the Association is able to recover from any special insurance which may in the discretion of the Association have been effected to protect the Association against the risk of payments of the Overspill Claims, and

3.2 The funds required to pay such proportion of any Overspill Claim incurred by any other party to the Pooling Agreement which the Association is liable to contribute under the terms of the Pooling Agreement shall be provided in the manner specified in paragraph 3.1 sub-paragraphs (b) – (e).

3.3 To the extent that the Association intends to provide funds required to pay any Overspill Claim incurred by it in the manner specified in paragraph 3.1 sub-paragraph (d), the Association shall only be required to pay such Overspill Claim as and when such funds are received by it, provided that it can show from time to time, in seeking to collect such funds, it has taken the steps referred to in paragraph 2.3 sub-paragraph (a) and (b).

4 Overspill Claims – expert determinations

4.1 Any of the issues referred to in paragraph 4.2 on which the Association and a Member cannot agree shall be referred to a panel (the Panel) constituted in accordance with the arrangements established in the Pooling Agreement, which, acting as a body of experts and not as an arbitration tribunal, shall determine the issue.
4.2 This paragraph 4 shall apply to any issue of whether, for the purpose of applying any of the provisions in paragraphs 2.2, 2.3 and 3.3 in relation to any Overspill Claim (the “relevant Overspill Claim”),
   a costs have been properly incurred in collecting or seeking to collect Overspill Claims,
   b any Overspill Call or part thereof is economically recoverable, or
   c in seeking to collect the funds referred to in paragraph 3.3, the Association has taken the steps referred to in that paragraph 3.3.

4.3 If the Panel has not been constituted at a time when the Member wishes to refer an issue to it, the Association shall, on request by the Member, give a direction for the constitution of the Panel as required under the Pooling Agreement.

4.4 The Association may (and, on the direction of the Member, shall) give such direction as is required under the Pooling Agreement for the formal instruction of the Panel to investigate any issue and to give its determination as soon as reasonably practicable.

4.5 The Panel shall in its discretion decide what information, documents, evidence and submissions it requires in order to determine an issue and how to obtain these, and the Association and the Member shall cooperate fully with the Panel.

4.6 In determining any issue referred to it under this paragraph 4 the Panel shall endeavour to follow the same procedure as it follows in determining issues arising in respect of the relevant Overspill Claim which are referred to it under the Pooling Agreement.

4.7 In determining an issue the members of the Panel
   a shall rely on their own knowledge and expertise, and
   b may rely on any information documents evidence or submission provided to it by the Association or the Member as the Panel sees fit.

4.8 If the three members of the Panel cannot agree on any matter, the view of the majority shall prevail.

4.9 The Panel shall not be required to give reasons for any determination.

4.10 The Panel’s determination shall be final and binding upon the Association and the Member (subject only to paragraph 4.11) and there shall be no right of appeal from such determination.

4.11 If the Panel makes a determination on an issue referred to in paragraph 4.2 sub-paragraphs (b) or (c) the Association or the Member may refer the issue back to the Panel, notwithstanding paragraph 4.10, if it considers that the position has materially changed since the Panel made its determination.

4.12 The costs of the Panel shall be paid by the Association.

4.13 Costs, indemnities and other sums payable to the Panel by the Association in relation to any Overspill Claim, whether the reference to the Panel has been made under this paragraph 4 or under the Pooling Agreement, shall be deemed to be costs properly incurred by the Association in respect of that Overspill Claim for the purposes specified in paragraph 2.2 sub-paragraph (a).

5 Levying of Overspill Calls

5.1 If
   a the Association shall at any time determine that funds are or may in future be required to pay part of an Overspill Claim (whether incurred by the Association or by any other party to the Pooling Agreement); and
   b the Association shall have made a declaration under paragraphs 6.1 or 6.3 that a Policy Year shall remain open for the purpose of levying an Overspill Call or Calls in respect of that Overspill Claim, the Association in its discretion, at any time or times after such declaration has been made, may levy one or more Overspill Calls in respect of that Overspill Claim in accordance with paragraph 5.2.
5.2 The Association shall levy any such Overspill Call on all Members entered in the Association on the Overspill Claim Date in respect of ships entered by them at that time, notwithstanding the fact that, if the Overspill Claim Date shall be in a Policy Year in respect of which the Association has made a declaration under paragraph 6.3, any such ship may not have been entered in the Association at the time the relevant incident or occurrence occurred, and at such percentage of the Convention Limit of each such ship as the Association in its discretion shall decide.

5.3 An Overspill Call shall not be levied in respect of any ship entered on the Overspill Claim Date with an overall limit of cover equal to or less than the Group Reinsurance Limit.

5.4 The Association shall not levy on any Member in respect of the entry of any ship an Overspill Call or Calls in respect of any one Overspill Claim exceeding in the aggregate two and a half per cent (2.5%) of the Convention Limit of that ship.

5.5 If at any time after the levying of an Overspill Call upon the Members entered in the Association in any Policy Year, it shall appear to the Association that the whole of such Overspill Call is unlikely to be required to meet the Overspill Claim in respect of which such Overspill Call was levied, the Association may decide to dispose of any excess which in the opinion of the Association is not so required in one or both of the following ways: by transferring the excess or any part thereof to the reserve in accordance with Rule 19 in the Rules for Ships; or by returning the excess or any part thereof to those Members who have paid that Overspill Call or Calls in proportion to the payments made by them.

6 Closing of Policy Years for Overspill Calls

6.1 If at any time prior to the expiry of a period of thirty-six months from the commencement of a Policy Year (the "relevant Policy Year"), any of the parties to the Pooling Agreement sends a notice (an "Overspill Notice") in accordance with the Pooling Agreement that an incident or occurrence has occurred in the relevant Policy Year which has given or at any time may give rise to an Overspill Claim, the Association shall as soon as practicable declare that the relevant Policy Year shall remain open for the purpose of levying an Overspill Call or Calls in respect of that claim and the relevant Policy Year shall not be closed for the purpose of making an Overspill Call or Calls in respect of that claim until such date as the Association shall determine.

6.2 If at the expiry of the period of thirty-six months provided for in paragraph 6.1, no Overspill Notice as therein provided for has been sent, the relevant Policy Year shall be closed automatically for the purpose of levying Overspill Calls only, whether or not closed for any other purposes, such closure to have effect from the date falling thirty-six months after the commencement of the relevant Policy Year.

6.3 If at any time after a Policy Year has been closed in accordance with the provisions of paragraphs 6.1 and 6.2, it appears to the Association that an incident or occurrence which occurred during such closed Policy Year may give rise to an Overspill Claim, the Association shall as soon as practicable declare that the earliest subsequent open Policy Year (not being a Policy Year in respect of which the Association has already made a declaration in accordance with paragraphs 6.1 or 6.3) shall remain open for the purpose of levying an Overspill Call or Calls in respect of that claim, and such open Policy Year shall not be closed for the purpose of making an Overspill Call or Calls in respect of that claim until such date as the Association shall determine.

6.4 A Policy Year shall not be closed for the purpose of levying Overspill Calls save in accordance with this paragraph 6.
7 Security for Overspill Calls on termination or cessor

7.1 If the Association makes a declaration in accordance with paragraphs 6.1 or 6.3 that a Policy Year shall remain open for the purpose of levying an Overspill Call or Calls, and a Member who is liable to pay any such Overspill Call or Calls as may be levied by the Association in accordance with paragraph 5 ceases or has ceased to be insured by the Association for any reason, or the Association determines that the insurance of any such Member cease, the Association may require such Member to provide to the Association by such date as the Association may determine (the “due date”) a guarantee or other security in respect of the Member’s estimated future liability for such Overspill Call or Calls, such guarantee or other security to be in such form and amount (the “guarantee amount”) and upon such terms as the Association in its discretion may deem to be appropriate in the circumstances.

7.2 Unless and until such guarantee or other security as is required by the Association has been provided by the Member, the Member shall not be entitled to recovery from the Association of any claims whatsoever and whonsoever arising in respect of any and all ships entered in the Association for any Policy Year by him or on his behalf.

7.3 If such guarantee or other security is not provided by the Member to the Association by the due date, a sum equal to the guarantee amount shall be due and payable by the Member to the Association on the due date, and shall be retained by the Association as a security deposit on such terms as the Association in its discretion may deem to be appropriate in the circumstances.

7.4 The provision of a guarantee or other security as required by the Association (including a payment in accordance with paragraph 7.3) shall in no way restrict or limit the Member’s liability to pay such Overspill Call or Calls as may be levied by the Association in accordance with paragraph 5.

The particulars given in any application form, together with any other particulars or information given in writing in the course of applying for insurance or negotiating changes in the terms of insurance, shall form the basis of the contract of insurance between the Member and the Association.

The Association does not so consent.”
3 If the Association and a Member at any time agree a variation in the terms and conditions of the contract of insurance the Association shall issue an endorsement note stating the terms of such variation and the date from which such variation is to be effective.

Should the Member subsequently become aware of any such circumstances as are mentioned above, or of any change in such circumstances as previously disclosed, he must without undue delay inform the Association.

2. Where the Member at the conclusion of the contract of insurance has neglected his duty of disclosure and the Association would not have accepted the entry at the Premium Rating agreed if the Member had made such disclosure as it was his duty to make, the Association is free from liability. Where the Association would have accepted the entry on the same Premium Rating but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under those conditions the Association would have accepted.

Rule 7  Alteration of risk
1. Where after the conclusion of the contract of insurance circumstances occur which result in an alteration of the risk, the Member shall disclose such circumstances to the Association without undue delay.

2. Where there is an alteration of the risk which has been intentionally caused or agreed to by the Member and the Association would not have accepted the entry at the same Premium Rating if it had known of such an alteration prior to the conclusion of the contract of insurance, the Association is free from liability to the extent that any liability, loss, cost, or expense incurred by the Member was caused or increased by the alteration. Where the Association would have accepted the entry at the same Premium Rating but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under the conditions the Association would have accepted.

Rule 8  Classification and certification of the Vessel

   a. the Vessel shall be and remain throughout the period of entry classed with a classification society approved by the Association;

   c. the Member shall comply with all the rules, recommendations and requirements of that classification society relating to the Vessel within the time or times specified by the society;
   d. the Association is authorised to inspect any documents and obtain any information relating to the maintenance of class of the Vessel in the possession of any classification society with which the Vessel is or has at any time been classed prior to and during the period of insurance and such classification society or societies are authorised to disclose and make available such documents and information to the Association upon request by it and for whatsoever purpose the Association in its sole discretion may consider necessary;
Chapter 4 Premiums

Rule 10

1 Each Vessel shall be entered on the basis of a fixed premium in an amount agreed between the Association and the Member.

2 The Association may determine (either generally for all entries, or separately for any entry or category of entries) that for the next ensuing Policy Year the Premium Rating of the Vessels entered in the Association shall be altered by a fixed percentage, before any further adjustment is made in order to take account of the Member’s loss record, alteration in the extent of the risk or any other factor the Association may deem relevant.

3 The Association may, in its sole discretion, levy an additional fixed premium for cover made available pursuant to Rule 2.1(b).

4 The Association may, in its sole discretion, agree or levy premium adjustments on the renewal or termination of an entry in accordance with the premium conditions set out in paragraph A of Appendix I.

3 Should the Member refuse to co-operate in an inspection under Rule 9.1, the Association will thereafter be liable only to the extent that the Member can prove that any liability, loss, cost or expense is not attributable to defects in the Vessel that would have been detected in the course of an inspection under Rule 9.1.

4 Where an inspection reveals matters which, in the sole discretion of the Association, represent a deficiency in the Vessel, the Association may exclude specified liabilities, losses, costs and expenses from the cover until the deficiency has been repaired or otherwise remedied.

e the Member shall immediately inform the Association if, at any time during the period of entry, the classification society with which the Vessel is classed is changed and advise the Association of all outstanding recommendations, requirements or restrictions specified by any classification society relating to the Vessel as at the date of such change;

f the Member shall comply or procure compliance with all statutory requirements of the state of the Vessel’s flag relating to the construction, adaptation, condition, fitment, equipment, manning, safe operation, security and management of the Vessel and at all times shall maintain or procure the maintenance of the validity of such statutory certificates as are issued by or on behalf of the state of the Vessel’s flag in relation to such compliance.

The Association shall notify the Member when it intends to inspect classification documents or request information documents or request information from a classification society in accordance with Rule 8.1.d.

The Member shall not be entitled to any recovery from the Association in respect of any claim arising during a period when the Member is not fulfilling or has not fulfilled the conditions in Rule 8.1.

Rule 9 Survey

1 The Association may at any time during the period of entry appoint a surveyor to inspect the Vessel on behalf of the Association.

2 Where the Vessel has been laid-up for a period exceeding six months, the Member shall give the Association not less than seven days’ notice prior to the Vessel leaving the place of lay-up for recommissioning, to afford the Association an opportunity to inspect the Vessel pursuant to Rule 9.1.

3 Should the Member refuse to co-operate in an inspection under Rule 9.1, the Association will thereafter be liable only to the extent that the Member can prove that any liability, loss, cost or expense is not attributable to defects in the Vessel that would have been detected in the course of an inspection under Rule 9.1.

4 Where an inspection reveals matters which, in the sole discretion of the Association, represent a deficiency in the Vessel, the Association may exclude specified liabilities, losses, costs and expenses from the cover until the deficiency has been repaired or otherwise remedied.

2 The Association may determine (either generally for all entries, or separately for any entry or category of entries) that for the next ensuing Policy Year the Premium Rating of the Vessels entered in the Association shall be altered by a fixed percentage, before any further adjustment is made in order to take account of the Member’s loss record, alteration in the extent of the risk or any other factor the Association may deem relevant.

3 The Association may, in its sole discretion, levy an additional fixed premium for cover made available pursuant to Rule 2.1(b).

4 The Association may, in its sole discretion, agree or levy premium adjustments on the renewal or termination of an entry in accordance with the premium conditions set out in paragraph A of Appendix I.

   i the Vessel, with the consent or knowledge of the Member, is being used for the furtherance of illegal purposes.

3 Where the Vessel disappears, it shall be deemed to be a total loss ten days from the day it is last heard from.

4 Notwithstanding and without prejudice to Rules 17.1, 17.2 and 17.3, a Member shall forthwith cease to be insured by the Association in respect of any and all Vessel(s) entered by him if any Vessel is employed by the Member in a carriage, trade or on a voyage which will thereby in any way howsoever expose the Association to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any State where the Association has its registered office or permanent place of business or by any State being a Major Power or by the United Nations or the European Union. For the purpose of this Rule 17.4 “Major Power” means any of the following States: United Kingdom, United States of America, France, the Russian Federation and the People’s Republic of China.

The Association agrees to waive any rights of subrogation it may have against the Protective Co-insured party in respect of liabilities, costs and expenses which are to be borne by the Member under the terms of the Charterparty.

Provided that an address for notification has been advised to the Association, the Association undertakes to give the Protective Co-insured party notice in writing with the same period of notice as to the Member in all cases where the Association terminates the entry. If termination is attributable to the failure by the Member to pay when due and demanded any premium or other amount due from him to the Association, the Association undertakes not to exercise such rights without giving the Protective Co-assured party thirty (30) days’ notice in writing.

Rule 59 Cover for Affiliates

1 The Association shall extend the cover afforded by the Association to the Member to any person who is affiliated to or associated with the Member.

2 The cover afforded to an Affiliate shall extend only to claims made or enforced against the Affiliate in respect of any liabilities for which the Member has cover and nothing herein contained shall be construed as entitling an Affiliate to recover any amount which would not have been recoverable from the Association by the Member had the claim been made or enforced against the Member.

3 Affiliates shall not be entitled to Membership of the Association.

Rule 60 Joint Members, Co-assureds, Affiliates and Fleet Entries

1 Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 58.3) insured on any one entry shall be jointly and severally liable for all sums due to the Association in respect of such entry. Members, Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 58.3) insured on any entry in respect of one or more Vessel(s) forming part of a Fleet Entry shall be jointly and severally liable in respect of all sums due to the Association in respect of any or all Vessels forming part of the Fleet Entry. For the purpose of
Chapter 2  Claims etc.

Rule 61  Time bar
1 The Member shall have no right to compensation unless he has given notice to the Association of any event which may give rise to a claim on the Association within six months of his becoming aware of it.
2 The Member’s claim for compensation becomes time-barred three years from the date on which he became aware of his claim and of the circumstances that determine its extent.
3 Where a time-bar has not taken effect earlier, the Member’s claim for compensation becomes time-barred ten years from the occurrence of the event unless litigation or a general average adjustment is in progress, when the claim becomes time-barred one year after the issue of the final judgment or adjustment.

Rule 62  Obligations with respect to claims
1 A Member shall:
a promptly notify the Association of any event which may give rise to a claim upon the Association, and of any formal enquiry into a loss or casualty involving the Vessel;
b upon the occurrence of any event which may give rise to a claim upon the Association, take and continue to take all such steps as may be reasonable, including the preservation of any right of recourse against a third party, for the purpose of averting or minimising any liability, loss, cost or expense in respect whereof he may be insured by the Association;
c notify and, if possible, consult the Association prior to taking any action as described in Rule 62.1(b) above;
d promptly provide the Association with all documents and information which may be relevant to such event and which are required to enable the Association to determine whether the event is covered according to these Rules;
e allow the Association or its appointees to interview any person who in the opinion of the Association may have knowledge relevant to the event;
Rule 63

Exclusion of liability

1 The Association shall not be liable for errors or omissions in the handling of a case which may be committed by the Association’s employees or by lawyers, advisers or other experts engaged by the Association on behalf of the Member.

2 If a Member commits a breach of any of these obligations
   a the Association may reject any claim, or reduce the sum payable, in relation to such event; and
   b the Member shall reimburse to the Association such part of any costs or expenses incurred by the Association in relation to such event as the Association shall determine.

3 The Association shall have the right if it so decides to control or direct the conduct of any claim or legal or other proceedings relating to any liability, loss, cost or expense in respect whereof the Member is or may be insured, in whole or in part, and to instruct, on behalf of the Member, lawyers and other advisers and experts to assist and to require the Member to settle, compromise or otherwise dispose of such claim or proceedings in such manner and upon such terms as the Association sees fit, provided that no actions or directions of the Association shall imply an obligation to cover the liability, loss, cost or expense. If the Member does not settle, compromise or dispose of a claim or of proceedings after being required to do so by the Association, any recovery by the Member from the Association in respect of such claim or proceedings shall be limited to the amount he would have recovered if he had acted as required by the Association.

4 A Member shall, in respect of a dispute which falls under the cover, for his own account, obtain information, make calculations, attend meetings and otherwise provide assistance, where such work can be performed by him or by persons employed by him or regularly engaged by him to perform such services.

Rule 64

Recoveries from third parties

1 When the Member has a right of recourse against a third party for any liability, loss, cost or expense covered by the Association, the Association shall be subrogated to the Member’s right of recourse upon payment by the Association to or on behalf of the Member in respect of the liability, loss, cost or expense.

2 Where the Association has made a payment in respect of any liability, loss, cost or expense to or on behalf of a Member, the whole of any recovery from a third party in respect of the case to which that liability, loss, cost or expense relates shall be credited and paid to the Association up to an amount corresponding to the sum paid by the Association together with any interest element on that sum comprised in the recovery, provided however, that
   a where because of a deductible in his terms of entry the Member has contributed towards a liability, loss, cost or expense any such interest element shall be apportioned between the Member and the Association taking into account the payments made by each and the dates on which those payments were made; and
   b the Association shall retain the whole amount of any award of costs in respect of its own handling of any case; and
   c in respect of a Defence Entry, any recovery whatsoever from any third (the “Recovery”) shall be applied as follows and in the following order:
      i first, if and to the extent a maximum deductible is agreed, the Recovery shall be credited and paid to the Association up to an amount corresponding to a fair recovery (in the Association’s discretion) of legal and other costs and expenses paid or agreed to be paid by the Association, in excess of the Member’s maximum deductible, together with any interest element on that sum comprised in the Recovery;
secondly, if and to the extent the Association only has agreed to cover a percentage of legal and other costs or expenses incurred by or on behalf of the Member, the Association shall be credited and paid a proportion of the Recovery corresponding to the percentage of legal and other costs and expenses the Association has agreed to cover pursuant to these Rules and the terms of entry agreed;

iii finally, when the requirements in (i) and (ii) above have been satisfied the Recovery shall be applied against the Member’s minimum deductible.

3 Subject to Rule 64.2, all monies recovered for a Member with Defence cover shall be paid over to the Member, except that the Association may deduct from such monies and retain any amount due to the Association from the Member.

4 Where a Member settles or compromises a claim within its Defence cover for a lump sum, the Association shall determine what part of that lump sum shall be deemed attributable to legal and other costs and expenses irrespective of the provisions of the settlement or compromise and, where relevant, the lump sum shall be treated as a Recovery pursuant to Rule 64.2 c.

Rule 65

Discharge
Payment of a claim by the Association to a manager of the Vessel or to any other agent of the Member shall fully discharge the Association’s liability to the Member.

Rule 66

Currency of payments
1 Unless the Association in its sole discretion otherwise decides, the Association shall make all payments for liabilities, losses, costs and expenses covered by the Association in the currency in which the Member’s Premium Rating is calculated (the “premium currency”).

2 Where the Member has made a payment in respect of any liability, loss, cost or expense which is covered by the Association in a currency other than the premium currency, that payment shall be converted into the premium currency, or such other currency as the Association in its sole discretion decides, at the rate of exchange ruling on the day payment was made by the Member.

3 Where a deductible under Rule 57 is expressed in a currency other than the premium currency, the deductible shall be converted into the premium currency at the rate of exchange ruling on the day payment was made by the Member.

4 Where a payment in respect of a liability, loss, cost or expense is due at a fixed time and the Member without valid reason neglects to make payment when due, the Member shall not be entitled to compensation at a higher rate of exchange than that ruling on the day on which payment was due.

5 All rates of exchange for the purposes of this Rule 66 shall be as conclusively certified by the Association.

Rule 67

Payment first by Member
1 Unless the Association shall in its absolute discretion otherwise determine, it is a condition precedent to a Member’s right to recover from the Association in respect of any liability, loss, cost or expense that he shall first have discharged or paid the same.

2 The Association shall not be obliged to compensate a Member for a payment made to a third party unless the Member’s liability to make that payment has been determined by:
   a a final judgement or order of a competent court; or
   b a final arbitration award (if settlement of the dispute by arbitration was agreed upon before the dispute arose, or was, with the consent of the Association, agreed upon subsequently); or
   c a final settlement of the dispute approved by the Association.

3 Notwithstanding sections 1 and 2 above, where a Member has failed to discharge a legal liability to pay damages or compensation for personal injury, illness or death of a member of the Crew, the Association shall discharge or pay such claim on the Member’s behalf directly to such member of the Crew or dependent thereof, provided always that;
a the member of the Crew or dependent has no enforceable right of recovery against any other party and would otherwise be uncompensated;

b the amount payable by the Association shall under no circumstances exceed the amount which the Member would otherwise have been able to recover from the Association under the Rules and the Member’s terms of entry; and

c with regard to liability, costs and expenses falling within Rule 19.2 above any payment made by the Association shall be made as agent only of the Member, and the Member shall be liable to reimburse the Association for the full amount of such payment.

5 a Where the Association has issued any guarantee, undertaking or certificate as referred to in Rule 55.2 or other bail or security by which it undertakes to directly meet or guarantee any relevant liabilities (together the “Direct Liabilities”) and claims in respect of Direct Liabilities alone or in combination with other claims may in the sole opinion of the Association exceed any limit(s) on the cover provided by the Association as set out in the Rules or in the Certificate of Entry, the Association may in its absolute discretion defer payment of any such other claims or any part thereof until the Direct Liabilities, or such parts of the Direct Liabilities as the Association may in its absolute discretion decide, have been discharged.

b To the extent that any claims or liabilities (including any Direct Liabilities) discharged by the Association exceed the said limit(s) any payment by the Association in respect thereof shall be by way of loan and the Member shall indemnify the Association promptly upon demand in respect of such payment and shall assign to the Association to the extent and on the terms that the Association determines in its discretion to be practicable, all the rights of the Member under any other insurance and against any third party.

Rule 68 Payments and undertakings to third parties

1 The Association shall be under no obligation to provide any guarantee, certificate, bail or other security or undertaking (“security”) for or on behalf of a Member, or to pay the costs of such provision.

2 The Association may at its discretion provide security or pay the cost of such provision in relation to liabilities within the scope of a Member’s cover, and may recover any costs incurred thereby from the Member.

3 The Member shall indemnify the Association for any liability the Association may incur to a third party under or in connection with any security issued by the Association for or on behalf of the Member and for any payment made by the Association to a third party for or on behalf of the Member (irrespective of whether that liability was incurred, or that payment was made during or after the period of the Member’s insurance by the Association), save to the extent that, had that third party pursued its claims in respect of the relevant liability against the Member rather than against the Association, or had that payment been made by the Member rather than by the Association, the Member would have been entitled to reimbursement pursuant to these Rules.

4 The Protective Co-assured shall indemnify the Association for any liability the Association may incur to a third party for any payment made by the Association to a third party which are to be borne by the Protective Co-assured party under the terms of the Charterparty.
### Rule 69: Assignment

1. The Member shall not assign or otherwise transfer its rights under its contract of insurance with the Association or otherwise arising pursuant to these Rules, save as provided in Rule 69.2.

2. The Association may, in its absolute discretion, consent to an assignment or transfer by of a Member of its rights as referred to in Rule 69.1, subject to such terms and conditions as the Association deems fit and subject to the Association’s right to deduct from any sum due or to become due from the Association to any assignee or transferee of the Member’s rights such amount as the Association may estimate to be sufficient to discharge any existing or anticipated liability of the Member to the Association.

### Rule 70: Governing law

The legal relationship between the Association and the Member shall be governed by these Rules and Norwegian law, but the provisions of the Insurance Contracts Act of 16th June 1989 shall not apply.

### Rule 71: Arbitration

Unless otherwise agreed, disputes between the Association and a Member or a former Member or any other person arising out of the contract of insurance or these Rules shall be resolved by arbitration. Each party shall nominate one arbitrator and those so nominated shall appoint an Umpire. If the arbitrators cannot agree on an Umpire or a party fails to nominate his arbitrator, the nomination shall be made by the Chief Justice of the Oslo District Court. Reasons shall be given for the award. Arbitration proceedings shall take place in Oslo.

### Rule 72: Amendments to the Rules

1. The Rules may be amended at any time with effect from the beginning of the following Policy Year, and the Association shall, where practicable, give notice of amendments to Members before 20th January.

2. If, in the determination of the Association, a substantial alteration of risk occurs, as a result of new legislation or for any other reason, the Association may make such amendments to the Rules as the situation may require, giving (save in the case where the amendment involves only the making available of additional cover to the Member) at least two months’ notice of the amendment.

3. When war has broken out or, in the determination of the Association threatens to break out, the Association may decide that amendments shall come into force at shorter notice.
APPENDICES

Appendix I  Premium conditions

A Premium adjustment for renewals and termination (Rule 10)

1 Premium deferral for renewal
   a When a Vessel is entered for a Policy Year, the Association and the Member may agree that a proportion of the premium payable for that Policy Year shall be deferred and shall only be payable in the circumstances described in paragraph A.1(b).
   b If the Member terminates the entry pursuant to Rule 15 at the end of the Policy Year referred to in paragraph A.1(a), the deferred proportion of the premium payable shall become payable to the Association on demand. The Member shall have no other liability for payment of the deferred proportion, which shall be deemed to be cancelled on the entry being renewed for the next subsequent Policy Year or being terminated pursuant to Rule 16 or ceasing under Rule 17.

2 Additional premium on termination
   On any termination of an entry under Rule 16 the Association may levy an additional premium determined by the Association, subject to the following:
   i where the loss ratio during the four year period ending on the date of termination, or the period of entry, if less than four years, is between 51 and 75 per cent, the additional premium shall not exceed five per cent of the premium payable in the last year of entry;
   ii where the loss ratio during the four year period ending on the date of termination, or the period of entry, if less than four years, exceeds 75 per cent, the additional premium shall not exceed ten per cent of the premium payable in the last year of entry.

B Terms of Contract (Rule 42.2)

1 Introduction
   a The premium conditions set out in this paragraph B are applicable for all Vessels except US owned, operated or managed Vessels.
   b The Premium Rating agreed with the Member, and the cover available to the Member are subject to any contract entered into by the Member for the provision of services by the Vessel containing a division of liability which is either
   i in accordance with these premium conditions or with the terms of entry; or
   ii approved by the Association after the date of entry, and for which a variation in the Premium Rating is agreed.
   c For the purpose of these premium conditions:
      i “Operator” means the party chartering the Vessel by way of a charterparty or other form of contract, including any other party having an owning interest in the field being serviced by the Vessel;
      ii “Operator Group” means the Operator their respective co-venturers, its and their parents and Affiliates together with the other contractors of Operator;
      iii a Vessel shall be deemed to be an accommodation vessel if the Association so determines.

2 Guidelines indicating how various contractual arrangements entered into by the Member will influence Premium Rating
   Except to the extent set out specifically in relevant cases below, the following divisions of liability in contracts entered into are acceptable within the standard cover and Premium Rating:
   a Where the Member is liable for the injury, illness or death of his own employees and the employees of any of his sub-contractors.
   b Where the Member is liable for loss of or damage to his own property and property belonging to any of his sub-contractors, provided that cover is conditional upon the Member obtaining a hold harmless agreement from any of his sub-contractors in respect of liability for the sub-contractor’s property in the care, custody or control of the Member, onboard or outside the Vessel.
Where the Member is liable for the injury, illness or death of the Operator’s employees, or the employees of the Operator Group, subject as follows:

Note: In the event that the Member obtains a hold harmless undertaking from the Operator in respect of the Operator’s employees, there shall be a rebate of 5 per cent of premium on the first USD 50 million of cover.

In the event the Member obtains a hold harmless undertaking from the Operator in respect of the employees of the “Operator’s Group”, there shall be a rebate of 10 per cent of premium on the first USD 50 million of cover.

In the case of accommodation vessels (including flotels), where the Member is liable in tort for the injury, illness or death of the accommodees of the Operator Group, provided that the number of such accommodees at risk does not exceed 15 persons.

Note: In the event of the number of such employees exceeding 15 persons, cover is available for each excess tranche of up to 50 persons at an additional premium of 15 per cent on the first USD 50 million of cover, but subject always to a maximum additional premium of 50 per cent.

In the case of accommodation vessels (including flotels), where the Member is strictly liable in contract for the injury, illness or death of the accommodees of the Operator Group, provided that the number of such accommodees at risk does not exceed 15 persons.

Note: In the event of the number of such employees exceeding 15 persons, cover is available for each excess tranche of up to 10 persons at an additional premium of 5 per cent on the first USD 50 million of cover, but subject always to a maximum additional premium of 100 per cent.

Where the Member is liable in tort for loss of or damage to property of the Operator’s Group, provided that cover is conditional upon the Member obtaining a hold harmless agreement in respect of liability for such property in the care, custody or control of the Member, on board or outside the Vessel.

Appendix II

Additional insurance – War risks P&I insurance for mobile offshore units

The Association has arranged additional War Risk P&I Insurance (the “War Risk P&I Cover”) for the benefit of Members insured for P&I risks pursuant to the Rules for P&I and Defence cover for Mobile Offshore Units. The terms and conditions for this additional War Risk P&I Cover are as follows:

General terms
The War Risks P&I Cover afforded is subject to the Rules for P&I and Defence cover for Mobile Offshore Units (the “Rules”), save that the war risks exclusion in Rule 54 shall not apply.

Scope of cover
The War Risks P&I Cover shall apply to liabilities, losses, costs and expenses as set out in Part II, chapter 1, of the Rules caused by war risks as defined in Rule 54. Such cover will only include liability or loss in excess of the amounts recoverable under the Vessel’s Hull and Machinery and/or Crew/Marine War Risks Insurance and any P&I inclusion clauses applicable thereto, but subject always to any special terms of entry agreed between the Association and the individual Member and set out in the relevant Vessel’s Certificate of Entry. The maximum limit of cover is equal to the maximum policy limit for P&I risk.

War Risks P&I Cover shall in no case cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from any chemical, biological, biochemical or electromagnetic weapon.

Notice of Cancellation – Automatic Termination of Cover
The War Risks P&I cover is subject to the Institute Notice of Cancellation, Automatic Termination of Cover and War and Nuclear Exclusions Clause – Hulls etc. CL359 dated 1 January 1995. This means that the cover can be terminated upon the Associations giving 7 – seven – days’ notice of their intention to do so. In certain circumstances the cover will terminate automatically.
Appendix III

Marine Cyber Endorsement and Communicable Disease Exclusion (Rule 40.3)

Marine Cyber Endorsement

1 Subject only to paragraph 3 below, in no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus, computer process or any other electronic system.

2 Subject to the conditions, limitations and exclusions of the policy to which this clause attaches, the indemnity otherwise recoverable hereunder shall not be prejudiced by the use or operation of any computer, computer system, computer software programme, computer process or any other electronic system, if such use or operation is not as a means for inflicting harm.

3 Where this clause is endorsed on policies covering risks of war, civil war, revolution, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, paragraph 1 shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

Communicable Disease Exclusion

1 In the event that the World Health Organization (‘WHO’) has determined an outbreak of a Communicable Disease to be a Public Health Emergency of International Concern (a ‘Declared Communicable Disease’), no coverage will be provided under this (re)insurance for any loss, damage, liability, cost or expense directly arising from any transmission or alleged transmission of the Declared Communicable Disease.

2 The exclusion in paragraph 1 of this endorsement will not apply to any liability of the (re)insured otherwise covered by this (re)insurance where the liability directly arises from an identified instance of a transmission of a Declared Communicable Disease and where the (re)insured proves that identified instance of a transmission took place before the date of determination by the WHO of the Declared Communicable Disease.

3 However even if the requirements of paragraph 2 of this endorsement are met, no coverage will be provided under this (re)insurance for any:
   a liability, cost or expense to identify, clean up, detoxify, remove, monitor, or test for the Declared Communicable Disease whether the measures are preventative or remedial;
   b liability for or loss, cost or expense arising out of any loss of revenue, loss of hire, business interruption, loss of market, delay or any indirect financial loss, howsoever described, as a result of the Declared Communicable Disease;
   c loss, damage, liability, cost or expense caused by or arising out of fear of or the threat of the Declared Communicable Disease.

4 As used in this endorsement, Communicable Disease means any disease, known or unknown, which can be transmitted by means of any substance or agent from any organism to another organism where:
   a the substance or agent includes but is not limited to a virus, bacterium, parasite or other organism or any variation or mutation of any of the foregoing, whether deemed living or not, and
   b the method of transmission, whether direct or indirect, includes but is not limited to human touch or contact, airborne transmission, bodily fluid transmission, transmission to or from or via any solid object or surface or liquid or gas, and
the disease, substance or agent may, acting alone or in conjunction with other co-morbidities, conditions, genetic susceptibilities, or with the human immune system, cause death, illness or bodily harm or temporarily or permanently impair human physical or mental health or adversely affect the value of or safe use of property of any kind.

5 This endorsement shall not extend this (re)insurance to cover any liability which would not have been covered under this (re)insurance had this endorsement not been attached.

All other terms, conditions and limitations of this (re)insurance remain the same.

BILLS OF LADING – DELIVERY OF CARGO
STANDARD FORMS OF LETTERS OF INDEMNITY TO BE GIVEN IN RETURN FOR:

A. Delivery of cargo without production of the original bill of lading
B. Delivery of cargo at a port other than that stated in the bill of lading
C. Delivery of cargo at a port other than that stated in the bill of lading and without production of the original bill of lading

In December 1998, the International Group of P&I Clubs issued a Circular to Members (see Gard Member Circular No 9/98) recommending revised wordings of the standard form Letters of Indemnity for use by Members in circumstances where they are requested to deliver cargo without production of the original bill of lading and/or to deliver cargo at a port other than that stated in the bill of lading.

As a result of comments from shipowners and shipowners’ organisations, a further review of the wordings was undertaken and further modifications to the standard wordings were made. Moreover, discussions took place between the International Group and the British Bankers Association (BBA) and a separate standard wording was agreed on the basis of which banks members of the BBA would be prepared in principle to join in the Letters of Indemnity while, through the auspices of the International Chamber of Commerce, the BBA would endeavour to promote this agreed standard wording within the international business community.

In consequence of the agreement reached with the BBA, the three recommended standard form Letters of Indemnity are issued in two versions: INT GROUP A (for delivery of cargo without production of the original bill of lading), INT GROUP B (for delivery of cargo at a port other than that stated in the bill of lading against production of at least one original bill of lading), and INT GROUP C (for delivery of cargo at a port other than that stated in the bill of lading and without production of the original bill of lading) for use when the commercial party requesting delivery (the “Requestor”) will alone be signing the Letter of Indemnity, and INT GROUP AA, INT GROUP BB and INT GROUP CC for use when a bank will be joining in the Letter of Indemnity and which forms incorporate, in addition to the same indemnities given by the Requestor under INT GROUP A, B and C, the separate standard wording agreed with the banks.
The principal features of the wordings are explained below.

**Financial Limit**
The liability of the Requestor should generally not be limited. However, where a bank is to join in the Letter of Indemnity it will generally insist upon a fixed monetary limit. The amount of the limit must be a matter for negotiation in order that it properly reflects the potential exposure in the particular circumstances, taking into account, *inter alia*, the sound market value of the cargo at the time of delivery, but it is recommended that the limit should be a minimum of 200% of the sound market value of the cargo at the time of delivery.

**Duration of security**
*Under INT GROUP A and AA,* the liability of the Requestor (and, hence, the bank under AA) terminates upon the delivery of all original bills of lading to the shipowner. If the original bills of lading are not delivered to the shipowner, the Requestor’s liability under the Letter of Indemnity continues.

Subject to delivery of all original bills of lading as stated, and to the two exceptions described below, the bank’s liability under INT GROUP AA is for an initial period of six years, but which is automatically renewable from time to time for further periods of two years at the request of the shipowner. The exceptions are (1) that, rather than agree to an extension of its liability, the bank has the option of discharging its liability by paying the maximum amount payable under its indemnity and (2) that, in the event of a demand being made by the shipowner to the bank for payment under the indemnity before the termination date, or in the event of the bank being notified by the shipowner of the commencement of legal proceedings against the shipowner before the termination date, the liability of the bank will continue until the demand has been paid or the legal proceedings have been concluded, the bank, if called upon so to do, paying the amount of any judgment or settlement payable by the shipowner if the Requestor has failed to do so.

*Under INT GROUP B, C, BB and CC,* since it is possible for a claim to be pursued against a shipowner for delivering cargo at a port other than that stated in the bill of lading despite cargo being delivered against production of the original bill of lading, or all original bills of lading being subsequently delivered to the shipowner (in particular, in circumstances where a charterer may require a cargo owner to receive his cargo at such other port against his wishes and request the shipowner to accommodate his request), the liability of the Requestor will continue until it can be established to the satisfaction of the shipowner that no such claim will be made.

Accordingly, unless the shipowner is satisfied that no claim of this nature will be made, the liability of the bank under INT GROUP BB and CC will be as described under INT GROUP AA above.

**Scope of security**
The Requestor is obliged to provide bail or other security not only to prevent or lift the arrest of the ship the subject matter of the indemnity, but also any other ship in the same or associated ownership, management or control. In addition, the Requestor is obliged to provide bail or other security to prevent interference in the use or trading of the ship, such as a caveat being entered on the ship’s registry to prevent the sale of the ship the subject matter of the indemnity.

Where a bank joins in the Letter of Indemnity it will generally not agree to provide bail or other security. However, the bank will pay any amount up to the limit of its liability under the Letter of Indemnity in order to enable the shipowner to arrange the provision of security if the Requestor fails to provide bail or other security.

**Tankers**
A provision designed to give greater security to tankers has been incorporated, whereby requested delivery of a bulk liquid or gas cargo to a terminal or facility, or to another ship, lighter or barge is to be deemed to be delivery to the party to whom delivery has been requested.

Members are reminded that, unless the Association’s Board of Directors otherwise determines, there is no cover in respect of liabilities arising out of the delivery of cargo without production of the original bill of lading and/or delivery at a port other than that stated in the bill of lading and that, in such circumstances, Members are strongly advised to ensure that they are fully satisfied with the financial standing and authority of those who are to issue and sign these indemnities.
The standard form Letters of Indemnity are designed to cover a broad range of trades and operations, and Members may wish to modify the standard forms to suit particular requirements. However, in this event, it must be appreciated that if a bank is to join in the Letter of Indemnity there may be limited scope for amendment, and that the Requestor’s bank will have to be consulted if any material change is contemplated. The Managers will be pleased to advise Members regarding any proposed modification.

Finally, it is not uncommon for Members to be requested by charterers to agree clauses in charter parties which expressly provide for the delivery of cargo without production of bills of lading and/or at ports other than those stated in the bills of lading against Letters of Indemnity. Members are strongly advised not to accept such clauses and it is recommended that Members seek advice from the Managers before responding to such requests.

   a the Bank shall receive a written notice signed by you and stating that the Indemnity is required by you to remain in force for a further period of two years, and
   b such notice is received by the Bank at the address indicated below on or before the then current Termination Date.

Any such extension shall be for a period of two years from the then current Termination Date and, should the Bank for any reason be unwilling to extend the Termination Date, the Bank shall discharge its liability by the payment to you of the maximum sum payable hereunder (or such lesser sum as you may require).

However, in the event of the Bank receiving a written notice signed by you, on or before the then current Termination Date, stating that legal proceedings have been commenced against you as a result of your having delivered the said cargo as specified in the Indemnity, the Bank agrees that its liability hereunder will not terminate until receipt by the Bank of your signed written notice stating that all legal proceedings have been concluded and that any sum or sums payable to you by the Requestor and/or the Bank in connection therewith have been paid and received in full and final settlement of all liabilities arising under the Indemnity.

However, in the event of the Bank receiving a written notice signed by you, on or before the then current Termination Date, stating that legal proceedings have been commenced against you as a result of your having delivered the said cargo as specified in the Indemnity, the Bank agrees that its liability hereunder will not terminate until receipt by the Bank of your signed written notice stating that all legal proceedings have been concluded and that any sum or sums payable to you by the Requestor and/or the Bank in connection therewith have been paid and received in full and final settlement of all liabilities arising under the Indemnity.
